## ***ACUPUNCTURE REFERRAL INSTRUCTIONS***

### **Referral or Prescription Requirements**

For a patient to receive acupuncture from an acupuncturist in Mississippi, a few guidelines must be met in order to comply with the newly enacted law. Please have your physician make the referral or prescription in writing and specify the following:

- Diagnosis of the ailment or condition that is to be treated by acupuncture;
- Intervals at which the acupuncturist must provide reports to the physician regarding the patient's condition or progress in treatment
- The conditions or restrictions placed on the acupuncturist's course of treatment
- Contact information for referring physician
